Source:  Narodowe Centrum Nauki

SONATA grants are dedicated for scientist starting their career.

BUDGET

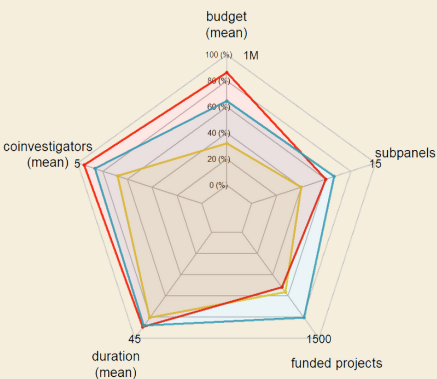

We analyze 14 editions of grants from 2011 to 2018. Here is how budget changed in time.

PANELS

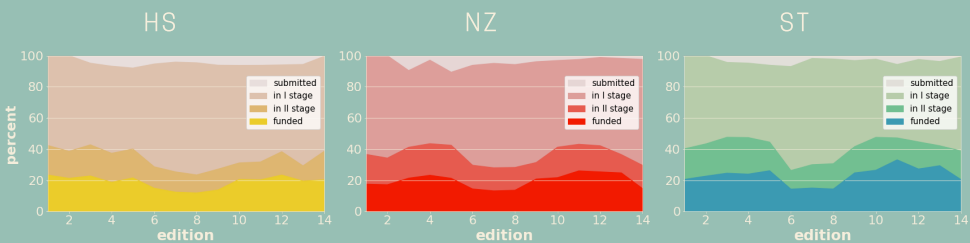

Grants are given in three fields:
Humanities (HS), Life Sciences (NZ)
and Science and Technology (ST)

APPLICATION PROCESS

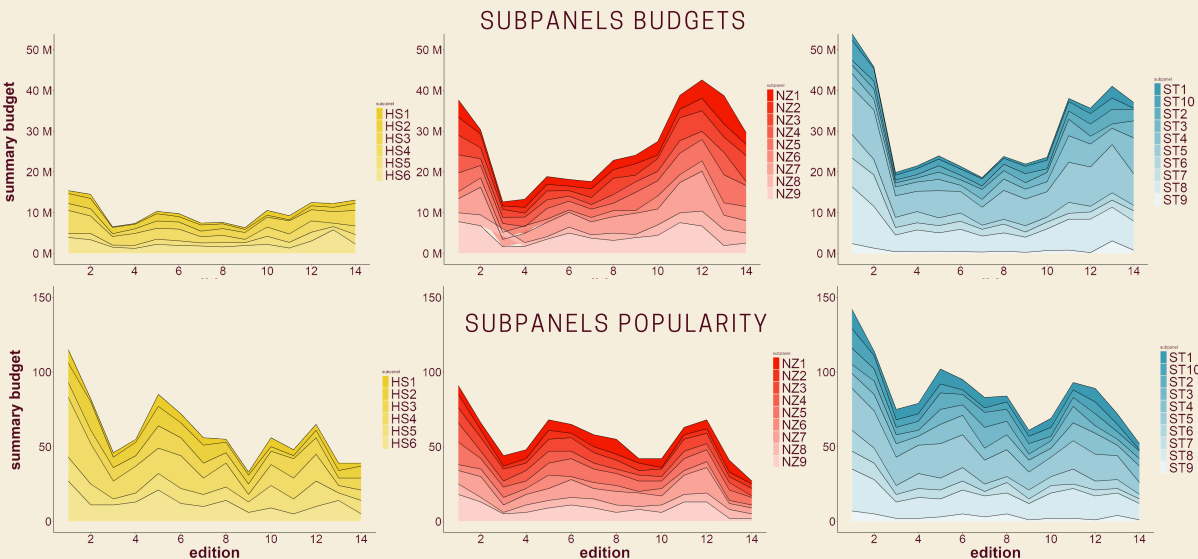

Applicants send their proposals. The best are selected with 2-step merit-based evaluation by peer review panels and external reviewers.

PROPOSAL LIFE PER SUBPANEL

SUBPANELS

Each of the panels are divided into subpanels: subjects in the given field (for example Mathematics in ST). Here is how the number of grants and budgets in given fields changed in time.

CHANGES IN DURATION

Duration of grants have changed in time. During Editions 1-4 grant can last 36-60 months. It was reduced to 12-36 months (Ed. 5-8). Starting from Edition 9 till now, there are only 3 possibilities: 12, 24 or 36 months.
